Is proud to welcome Emily Klarman

Two days of Seminars!

July 6 and 7, 2024

Emily Klarman, a local favorite, is coming back to FCDDTC for two days of seminars! Emily with her three dogs Vanish, Swish and Tea have been traveling the world competing in world, national and local events. Emily currently teaches at United Dog with Jessica Ajoux and Perry DeWitt. She follows the OneMind Dogs methodology and through her strong understanding of agility from the dog's point of view, she builds clear communication and connection with her own dogs as well as helping her students to create strong teamwork and consistent handling. She works with a variety of breeds and levels and will adjust to what each team needs to be successful.
